MEMORANDUM FOR: The Record

SUBJECT: Outside Activity of [redacted] 25X1A

In compliance with Par. 4, [redacted] "Limitations of Outside Activities" I called on Col. Stanley Grogan, Assistant for Public Relations to the DCI. I showed Col. Grogan a dozen typical samples of my small cartoon and text material the Washington Post and Times Herald has contracted to publish under the pseudonym [redacted] on a trial, thrice-weekly basis. I told Col. Grogan I had received written approval of this venture from the office of Security Control. This written clearance, dated 29 September 1954 is signed by [redacted], Acting Chief, Security Control Staff/SO, who reviewed samples of my material before I submitted it to the newspaper.
